## ➡ I Like the Art World and the Art World Likes Me

Wednesdays-Saturdays. Continues through March 5

646-416-6226

ART

[www.efanyc.org/i-like-the-art-world-and-the-a](http://www.efanyc.org/i-like-the-art-world-and-the-a)

We complain all the time that we can't stand "art about art," but technically this group show curated by Eric Doeringer and full of our favorite scenesters—Jennifer Dalton, William Powhida, Conrad Bakker, Loren Munk, Ward Shelley, and many more—is full of art about the art world, and so it's okay that we like it. You will too.
